Alander De Ávila

UX/UI Designer & Software Engineer in development
with soild background in graphics, translation and teaching ESL.

RECENT WORK EXPERIENCE

Teacher

Autonomous

Fev 2016 - now - Hybrid

I teach English and German as foreign languages in private
classes, both online and in person, visiting houses and companies.

Translator

B&Partners.co

Feb 2024 - May 2024 - Remoto

During this short time, I was responsible for translating
presentations and confidential documents to negotiate an
advertising campaign during the Jonas Brothers show in São
Paulo. The negotiation involved Santander as the sponsor and was
carried out by a major advertising agency in São Paulo.

Tradutor

FURIA e-Sports

Jan 2021 - Mar 2023 - Remoto

During my time collaborating with FURIA, I translated for a variety
of media, particularly scripts and subtitles for audiovisual
productions aimed at promoting teams in various games
worldwide, including films, series, documentaries, and
commercials. I was also responsible for translating business
documents and presentations, a role that required confidentiality
and discretion due to major sponsors like Santander and
PokerStars.

PAST WORK EXPERIENCE

Teacher: English and German
Wizard Language Institute

Nov 2016 - Out 2017 - Goiânia

My first job as a Teacher. I taught English to groups and German in one-on-one classes.

Teacher: English and German
Skill Idiomas

Feb 2016 - Sep 2017 - Goiânia

I taught adults and teenagers of approximately 20 students.

Graphic Designer
Salto Publicidade

Mar 2014 - Feb 2015 - Goiânia

In this agency, I designed visual identities for brands, advertising campaigns and helped new designers in the team.

Graphic Designer
Cicopal

Jan 2013 - Mar 2014   Senador Canedo, Goiás

I worked in the advertising agency that designed and marketed the several products they manufactured and sold in many states accross Brazil.

PARALLEL PROJECTS AND VOLUNTEERING

Interface
Intelijus

May 2023 - Remoto

After graduating on the UX/UI Design bootcamp, volunteered to create an interface for a legal artificial intelligence tool in development for a startup in Goiânia.

Soundtrack
Esfér - SPFW

Jun 2022 - São Paulo

Composed and produced the theme song for Esfér's fashion show, the first jewelry brand at São Paulo Fashion Week. Also worked on soundtracks for clients, including a commercial for the FURIA teams' official t-shirt they released in partnership with Nike."

Au-Pair

Mar 2015 - Oct 2015 - Haag an der Amper, Bayern

I participated in an Au Pair program in Germany, living with a family for 8 months in a village where no one spoke English. I took part in cultural activities and had an illustration featured on a magazine cover about the local orchestra in Zolling.
